Q.3) (a) How have colonialism and globalization affected the lives and cultures of contemporary tribal communities around the world? (20 marks)

Marshall Sahlins remarks. tribals were the world's first rich society but now lie in penury, following the scourge of colonialism and globalisation.

Colonialism and contemporary tribes

Colonialism is the imperial actions of foreign countries invading another and asserting sovereign rights.

Contemporary tribes → Yanomai tribes studied by Napoleon Campaigner
→ Veddas of Sri Lanka by Seligmann
→ Von Fikler Neimendorf and his works on Nages
→ Radclyffe Brown and Andamanese
all show various forms of changes undergone.
