Write notes on the following in about 150 words each:

Cultural shock

(10 Marks)

Kalervo Oberg coined this term to show a condition which an ethnographer faces when he/she goes into a new society for study its culture.

ex Malinowski's diary during his work in Trobriand Islands signify this shock.

Stages of Cultural Shock

- ① Honeymoon phase: Amused by a new culture.
- ② Phase of Uncertainty
- ③ Phase of Adjustment: When an ethnographer adjusts as per local needs.
- ④ Phase of Acceptance: When he/she accepts to the new culture.

Post ethnography An ethnographer may again face such cultural shock when he/she goes back to his/her culture.

Relevance of Relativism in such Shock

- ↳ helps in rich ethnographic experience
- ↳ helps to appreciate new elements of culture
- ↳ enhances Participant observation

→ Such cultural shock signifies the relevance of Culture - Personality school as to how culture shapes human experiences. Culture shock, hence is expected by an ethnographer and is dealt by anthropological training and experiences.
