Explain causes of various residence (20 marks)

Family as defined by GP Murdock refers to a unit ^{including} with sexually cohabiting partners with their born/adopted child fulfilling the following functions

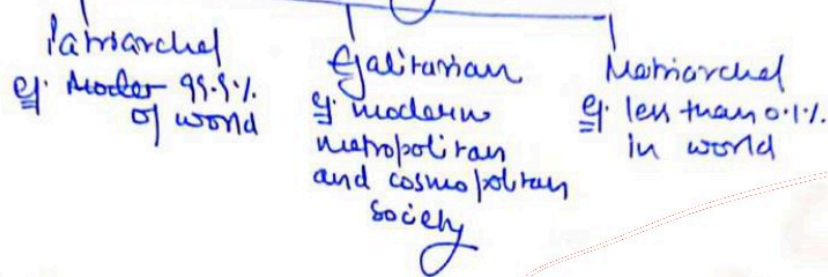

It can be classified into various types as follows →

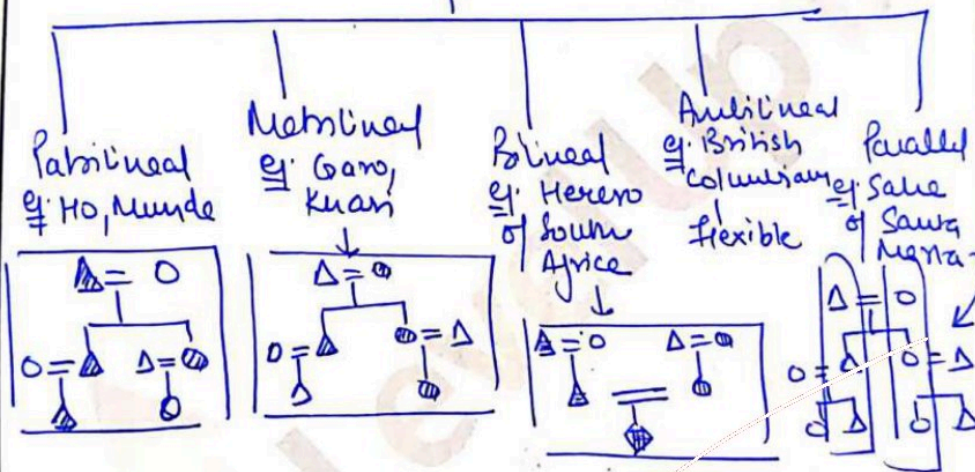

① Based on marriage

② Based on authority

③ Based on descent

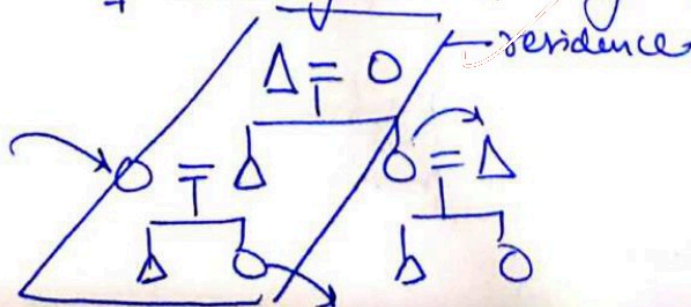

④ Based on rules of residence

⇒ Patrilocal - couple lives at groom's house

e.g. Ho, Munda, orson of Chhotagpur

e.g. Tallensi of Ghana, Tiv of Nigeria

Reasons $\rightarrow$ Patrilineal and Patriarchal Societies

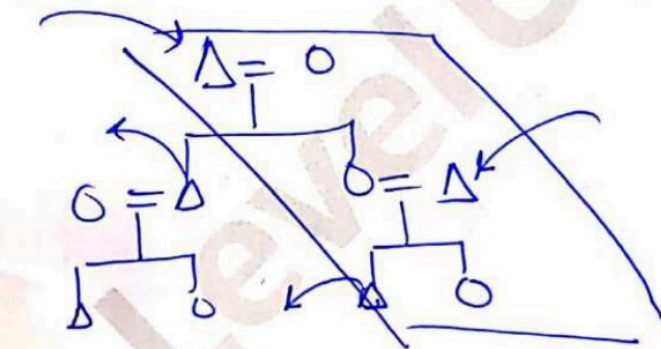

Form such residence to form
unilineal descent groups and maintain

Structure of Society — Descent theories

$\rightarrow$ Property generated and held by males.

$\rightarrow$ Practice of male preference

$\Rightarrow$ Matrilocal — couple lives at bride's
house

$\neq$ Trobriand Islanders studied by Malinowski

Reasons $\rightarrow$ ~~In matriarchy~~ ~~Female~~

centric economy of horticulture

$\rightarrow$ Females play important role as men
go to dangerous occupations

$\Rightarrow$ Matrilineal — couple first lives at
bride's then at groom's house
 $\neq$ Cherokee

Reason → Suitor Service prevalent in clanless and Baigas - "Bahasiya"

⇒ Avunculocal - E. Nayan → Reason and Explanation ⇒ males live with their Sisters and visit wives at night → here as males are not centric to polity because of wars, females inherit property.

⇒ Neolocal - Couple moves at a new house altogether of contemporary modern societies.

Reason - Industrialisation and urbanisation leading to disintegration of Joint family
Modern ideas of freedom, women's rights

⇒ Bilocal - Couple lives alternatively at both sides of parentage (groom and wife)
e.g. Dobu of Melanesia

Ambilocal - Bilocal where couple finally decides a place e.g. British Columbian

Reason → Depopulation ⇒ flexible rules

Thus residence pattern is a cultural rule depending on social, economic and political factors
