② Levirate → $\Delta = 0 = \Delta$

When the husband of a woman dies, she is married to husband's brother.

Eg :- Todas in South India

③ Sororate → $\phi = \Delta = 0$

When the wife of a man dies, he is married to his wife's sister. Eg → Munda, Santal etc.

Why Preferential Marriage

Generally performed in closed kinship groups

Build Strong ties between kins

Protection of children is ensured

Uta (Levirate + Sororate)

Hence, Marriage is considered as the backbone institution of a society.
