Section B**Q.5)** Write notes on the following in about 150 words each:

(a) Kinship and gender role.

(10 Marks)

kinship as per Aber crombie is the social relationships derived from blood ties (real and supposed) and marriage; are collectively known as kinship.

role is defined by Dr. Ralph Linton as the expected behavior from the person who holds a particular status in the social system.

Better write about gender role

Gender role can be defined as the distribution of roles as per the gender of the member of the society.

Dr. Robin Fox have provided the structural principles of kinship in which he has delineated the Gender Roles →

For example → Women are responsible for
the Care of children,
whereas men are responsible for the
economic production;

The way in which these conditions are
met results in the structure of kinship
system.
