(e) Economic transactions related to marriage.

(10 Marks)

The economic transactions resulting in give & take of money / goods in a marriage between kindred groups of 2 couples is known as "marriage transactions".

① Bride Price (Bride wealth) :- given by groom's kin to the bride's family for loss of 2 hands.  
e.g. Nuer give cattle wealth.

② Gift exchange :- prevalent in today's rural societies where exchange takes place on special occasions e.g. Diwali, Holi etc.

③ Bride Service :- Groom works in bride's home when he's not able

to pay for Bride price.  
e.g. Lepcha's & Naga's.

① Dowry :- single<sup>way</sup> transfer of money & goods from the Bride's Kin to the bride for establishment of conjugal fund for the couple.

e.g. Dowry in Indian society.

Such transactions reflect the fact that marriage is much more than spouse relation; where in social solidarity is established among the kin groups of both the spouses & couples acting as vital link in the relation.
