

Q.4a (20 marks): Main socio-cultural attributes of hunters-gatherers, pastoralists and intensive agriculturists

(Don't Write anything in this)

(Don't Write anything in this Area)

(a) What are the main socio-cultural attributes of hunters-gatherers, pastoralists and intensive agriculturists? (20 marks)

Food gathering and Food Producing are two main kinds of production / subsistence activities. Pastoralism, Intensive agriculturists are food producing while Hunter-gatherers are food collection economy.

Main Socio-Cultural Attributes

(I) Hunter gatherers: They collect the food from natural sources and also obtain food by hunting small game.
↳ Only 0.0003% of contemporary societies.

Lifestyle: Usually Nomadic as they keep moving from one place to another.

[ex] Tasians, Orge, !Kung of Kalahari

(II) Pastoralists: These societies do subsistence farming but main source of income is livestock.

Lifestyle: They are more sedentary than hunter gatherers but are Nomadic.

Ex Masai of Kenya, Todas of Nilgiri

(III) Intensive Agriculture: These do sedentary agricultural activities and usually produce enough to sell in markets.

Lifestyle: Sedentary lifestyle, agricultural cultivation at a place.

Ex Gonds, Mundas.

Other Characteristics.

(I) Population Density.

- ↳ Hunter gather: Very low and disperse
- ↳ Pastoralists: Higher but not very high
- ↳ Intensive Agriculture: High.

② Capital

- ↳ hunter gather : Less capital intensive, only elementary tools and cutters.
- ↳ Pastoralist : Low capital intensive, but instruments to process livestock products present.
- ↳ Intensive agriculture : High capital intensive with plough, etc.

③ Ownership

- ↳ hunter gather : Usually communal
- ↳ Pastoralist : Own herds of livestock but grazing lands are community owned
- ↳ Intensive agriculture : Own privately, their lands and instruments.

④ Technology

- ↳ hunter gather : Subsistence with no or little specialisation.
- ↳ Pastoralist : Own Processing techniques

↳ Intensive agriculture: Own mass production technology, even fertiliser sometimes

⑤ Political Leadership

↳ Flunder gatherer: Usually Band-based

↳ Pastoralist: Some elementary form of democratic leadership.

↳ Intensive Agriculture: Has ~~a~~ defined leadership, may be a chief or some democratic association.

→ In contemporary aspect; the strict division between such economies is ceasing to exist and mixed economic activities are found. However Anthropological study of these is necessary is important to study change in them.
