(e) State and stateless societies

(10 Marks)

Political organisation of a society refers to the distribution of power, authority as well as system of law and justice

Elman Service divided it into

① STATELESS SOCIETIES

= accephalous

→ loosely organised political setup where

① authority ~~is~~ ranges from egalitarian (band) to vested in few people

② law and order as well as justice delivery is aimed at restoring harmony and is enforced by hereditary leaders / consensus

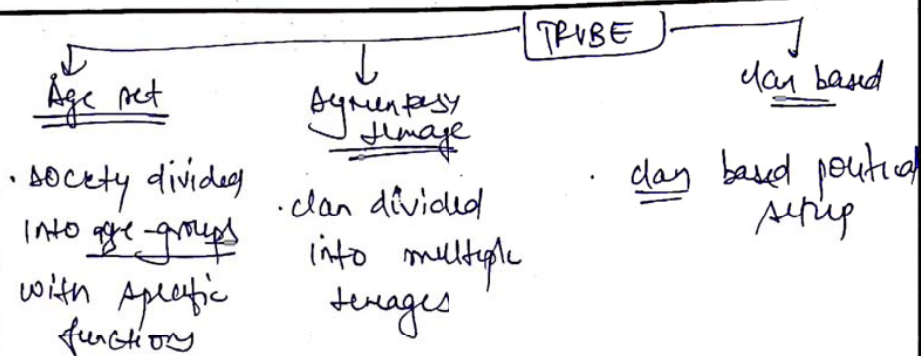

TYPES

BAND

- mobile, small membership
- egalitarian, nomadic
- loose division of labour
- decision by consensus

TRIBE

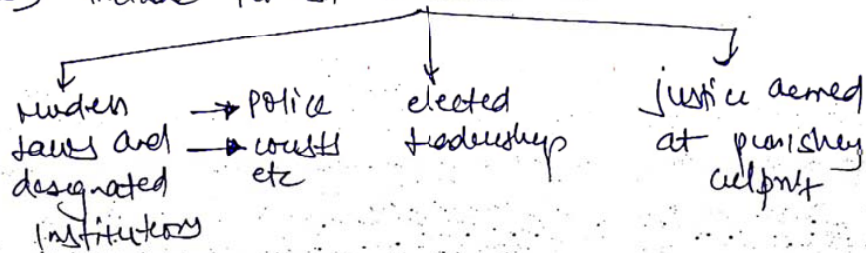

- small scale agriculture and domestication started
- started sedentary lifestyle
- division of labour based on age / sex.

① STATE SOCIETIES

→ centralized, authoritative

→ Include modern societies with

society evolved from stateless → state societies due to arising of needs of a means of political organisation and social control.
(E. Leach (1954))

Stateless → agriculture, settled → State
