

Q.6c (15 marks): How does Postmodernism challenge traditional notions of objectivity

LevelUp IAS

Criticism :

- 1) The existence of multiple personalities & hence couldn't explain cultural variation
- 2) Not based on empirical facts
- 3) Over generalisations
- 4) Not applicable to modern societies which witnessed multiple migration.

Relevance :

- 1) The concept of basic personality used in National Character Studies.
- 2) Diplomacy b/w nations
- 3) For market study in MNCs to understand consumer behaviour.

In summary, Kardiner's proposition of culture & personality mutually influencing each other is widely accepted & he is credited for his interdisciplinary approach.
