

(3) Globalisation is shown via use of code-switching (eg.) Glocalisation of global food items like McAloo Tikki

(4) Cultural evolution → As new practices get merged in earlier ones (eg.) Use of Doctor in normal language although English word.

(5) Reflection of changing gender roles and power dynamics.

(eg.) Kira Hall studying language practices in Tamil Nadu village and how females with ~~modern~~ job in textile factory used code-switched language to show assertive-ness

code-switching shows how culture evolves and language's role in ensuring same in society.
